

OAK CENTRE PRIME OVERVIEW

We are committed to the care, welfare, and integration of persons living with disabilities and complex medical needs in Nigeria. Our goal is to establish physical centres in every state, starting with OAK Centre Prime.

THE OPPORTUNITY

Problem Worth Solving

Children with neurological and complex medical needs in Nigeria lack access to specialised care, education, and support. Inadequate facilities and societal acceptance contribute to marginalisation, reduced growth, and an inferior quality of life. Comprehensive action is urgently needed.

Our solutions

- Specialized care and support services
- Residential and respite facilities
- Capacity building and life skills training
- Advocacy and outreach for proper integration
- Model for best practices in welfare and care

Target Clients

- Children and young persons with disabilities (PWD)
- Parents and family members
- Professional non-parent carers
- Educational institutions and health centres
- Churches and religious institutions
- Government and NGOs

Competitive Advantage

- **Traditional Centres:** We offer wider solutions and family integration.
- **Special Education Schools:** We provide broader societal integration.
- **NGOs and Charities:** Our solutions are targeted and specialised, with strong collaborations.
- **Government Initiatives:** We focus on community engagement with less bureaucracy

Total Funding Required: \$8 million

Purpose: To establish and demonstrate a secure and inclusive community with dedicated spaces and support services for children and young people with disabilities and their families.

- **Land Area:** 35 Acres (valued @ N120M already acquired)
- **Capacity:** Housing for 250 children and young people with disabilities and complex medical needs
- **Serve** over 1000 children and young people annually
- **Facilities:** Respite spaces, world-class clinic, sensory areas, sports, educational and vocational centre etc.
- **Staff:** over 1500 staff and workers
